RITA

Leetonia Splash Pad

As you may have heard I have kicked off a fundraising effort to place a splash pad right here in Leetonia. I am looking forward to enhancing our community and providing a safe place for children to play.

As you know the more we invest in our community the better off we will be. Our goal is to raise \$30,000 over the next year. I believe this must be a community driven effort to make it happen so please consider supporting your community in this effort. If you have any questions or concerns please feel to contact me at any time. Once again thank you for giving me the opportunity to serve our great community.
