

# Bird Watching on the Leetonia Greenway Trail

April 5 & 14, 2018

## Conservation & Appreciation

The Village of Leetonia Park Board along with The Friends of the Leetonia Library are kicking off the spring Earth Day season by welcoming Columbiana County Park District Program Coordinator Peter Wilson to guide a 3 mile walk to observe migrating spring birds as well as those that call Leetonia home year round.

## More Information

This activity along with those of the Leetonia Public Library allow Leetonia residents an introduction to an appreciation of our natural habitat and a renewed understanding of the importance of conservation and greenspace within our community.
