NEWS RELEASE

To: NEWS MEDIA**Re:** Environmental Program focuses of Coke Ovens Park**Date:** 04-26-2018**From:** **Gary E. Phillips, Village Administrator****CC:** Mayor, Council, Police Department, and Fire Department

Anyone interested in learning more about our environment, the Little Beaver Creek Greenway Trail and the history of the Leetonia Beehive Coke Ovens will enjoy coming to the Leetonia Community Public Library on Thursday May 10th, from 9:00am to 4:00pm. We have a great lineup of speakers who will provide listeners with important and in-depth information related to the topics listed. The title of the program is "From the Carboniferous Period to the Anthropocene". It is the first education program being offered by the Coke Ovens Commission. The cost of the program is \$40.00 per person, which includes a continental breakfast and lunch, and afternoon tours of the Coke Oven Park. Seating is limited, so please contact **Bill Merdich at 330-817-0088** for registration information by May 3rd.
