From: Village of Leetonia Water Meter
Replacement Project

Regarding:

Account:

SECOND NOTICE

The Village of Leetonia has started a project to replace water meters in your area. NECO, which is installing the meters, previously mailed a letter to explain the project and requested that you call NECO to schedule an appointment.

If you have recently been in contact with NECO regarding an installation, please disregard this letter.

According to our records, we have not completed the service for you. It is important that we schedule this work to be done so that we can complete this project in a timely manner.

You are also welcome to schedule online at <http://www.necowater.com/schedule/>.

Unfortunately, failure to comply with the meter exchange may result in interruption of water service. **To avoid possible interruption of your water services, please contact NECO to schedule an appointment.**

We can be reached (toll free) at **1-800-624-6975**. Representatives are available for scheduling your appointment Monday - Friday 8 a.m. - 6 p.m. and Saturday 10 a.m. - 2 p.m.

Respectfully yours,

Robert W. Becker
President, NECO
